

Supplementary Information for the verification of Ecodesign Compliance under the HETAS Product Approval Scheme

Appliance Manufacturer: Town & Country
1 Enterprise Way, Thornton Road Industrial Estate
Pickering, North Yorkshire, YO18 7NA

Model Name(s):	Pickering EcoDesign Smoke Control Stove
Direct Heat Output:	5 kW
Indirect Heating Functionality:	No
Type of Heat Output Room Temperature Control:	Two or more manual stages, no temperature control
Other control options:	N/A

Space Heating Performance at Nominal Output

Fuel(s)	Primary Fuel	Seasonal Efficiency (%)	(mg/m ³)			
			PM	OGC	CO	NOx
Wood Logs	Yes	71.9	12	66	1000	92

Performance when Operated on Primary Fuel

Rated Heat Output (kW)	5	Nominal Net Efficiency (%)	81.9			
Electrical Consumption Nominal (kW)	N/A	Electrical Consumption Minimum (kW)	N/A			
Electrical Consumption Standby (kW)	N/A	Energy Efficiency Index	109	EEI Rating	A+	

Specific Precautions during Assembling, Installing & Maintenance: See installation instructions for more information

Product End-of-Life/Recycling: To dispose of the stove after the product life has expired, please observe the following information

- ✓ Dispose of the items correctly i.e. separate the parts to be disposed of in material groups
- ✓ Always dispose of items in a way that is as sustainable as possible and that is in line with the current environmental protection, reprocessing/recycling and disposal technology

HETAS confirms the above information is accurate and the stove complies with the Ecodesign regulation at nominal heat output.
