- 83.7% Efficient on Solid Fuel
- 6" Diameter Flue
- Max. Log Length 350mm
- Tertiary Air
- Riddling Grate
- Brass or St/Steel Fittings
- Weight 68kg

The Farndale is a robust stove, compact but with a deceptively roomy firebox, and an output of 5kW. There is a strong cast iron door, and the fire is kept safe behind a large glass area. There is a multi-fuel grate which riddles from the outside, and like all Town and Country clean burning stoves, there is a good sized ash pan to make ash removal easy.

There is a heat shield supplied with this free standing stove, which fits on the back panel.

If this is fitted, allow an additional 30mm to the depth shown on this diagram.
